

Oystese – a beautiful holiday destination on the northern shore of the Hardangerfjord affording good views of the Folgefonna glacier. Oystese is only 80 km. from Bergen and can offer beaches, boat hire, sea and fresh-water fishing, a riding centre, goldfish lake, hiking trails, history trail, forest and mountain walks throughout the year. Oystese is an excellent point of departure for day trips on the fjord or in the mountains.

Tunet – a bank and shopping centre the likes of which you've never seen before.
